JAGDISH RATHOD

Aspiring Data Analyst | MIS Executive
9022504735 | jagdishrathod4735@gmail.com

PROFESSIONAL SUMMARY

BCA graduate (2025) seeking an entry-level opportunity in Data Analytics or MIS. Hands-on practice in building Excel sales reports and dashboards, and analyzing sales data with PostgreSQL. Familiar with Excel, SQL, Python and basic web technologies, with an interest in turning data into clear, useful business insights.

TECHNICAL SKILLS

Data & Reporting	Microsoft Excel, PivotTables, KPI reporting, dashboards, data analysis
Database	SQL, PostgreSQL, pgAdmin 4
Programming & Web	Python (basic), Java (basic), HTML, CSS

PROJECTS

Sales MIS Report & Dashboard | Microsoft Excel

- Built a sales MIS report using sample sales data and Excel formulas.
  - Created PivotTables and visual summaries for product, region and monthly sales.
  - Presented key metrics and regional performance in an interactive dashboard.

Sales Data Analysis | PostgreSQL

- Queried a 100-row sales dataset using SQL to calculate sales, profit and quantity KPIs.
  - Analyzed sales by product and region to identify top-performing categories.
  - Practiced aggregation, grouping and classification of order values.
